PEOPLE:
OUR GREATEST ASSET

2017 Annual Report
When People Come Together, Great Things Happen.

People are our greatest asset!
The Tiffin Community Foundation consists of hundreds of people coming together to accomplish a single goal in many different ways. That goal is to significantly impact our community in a way that empowers every citizen of Tiffin and Seneca County to live their best lives! From the organizations working to meet community needs, to the donors who have the resources to answer those challenges, we are forging collaborations around many shared interests every day. All those who volunteer their time to serve on our Board of Trustees or one of our grant committees, complete our community of great people who make up The Tiffin Community Foundation. If you are not yet familiar with the work of The Tiffin Community Foundation, we look forward to your visit! When people come together, great things happen!

Near the end of 2017, we received the initial deposit from Dr. Andy Gase and his wife, Anne Hering Gase, to establish The Gase Family Literacy Fund. The Gase Family opened this fund in 2018 to promote Literacy in Seneca County. The Gase Family is partnering with Tiffin City Schools, Tiffin-Seneca Public Library, Tiffin Community Foundation and The Dollywood Foundation to bring Dolly Parton’s Imagination Library to Tiffin, Ohio! Children born after January 1, 2018, who reside in zip code 44883 can be registered to receive a new book each month until they turn 5 years old. Thanks to the Gase Family Literacy Fund of The Tiffin Community Foundation, these books will be entirely free. We ask only that you take the time to read them with your children. Registration information can be obtained at Tiffin-Seneca Public Library or Tiffin Community Foundation. The Gase Family has set a goal to raise $300,000 in the next five years to endow this fund so that it will support books for children for years to come! Nine people from our community are nominated and elected Trustees to three year terms. They are unpaid volunteers. Four of them are nominated and elected Officers annually. They meet at least six times per year. The Board is responsible for the financial and administrative functions of The Tiffin Community Foundation. Appointments are made for fund advisors and grant application evaluators. The Board reviews and must approve the addition of new component funds of the Foundation, every grant awarded, every distribution, policies and financial documents. They are responsible for carrying out the mission of the foundation and its management. Their decisions help sustain the good works done in our community and provide for programs and opportunities that make our community a great place to live, learn and work.

Giving Tuesday

In honor of Giving Tuesday 2017, we asked area Middle School students, “How can you and your classmates make significant impact on the social landscape of our community? What do you value? What kind of impact do you want to have on the people around you? The words you speak and the actions you take can have an impact on your community. What kind of community will your values help create?” We offered matching grant funds presented on Giving Tuesday, to any Middle School group willing to make an impact! Calvert seventh graders stepped up to the plate and raised $850 to support acts of kindness at Autumnwood Care Center and Seneca Mentoring Youth Links. Special thanks to Marilyn Seislove for her efforts toward this project.
