## The Unrestricted Fund

In 2003, The Board of Trustees of TCF established an Unrestricted Fund as an endowment to provide for the future of Seneca County. Donors place no restrictions on how these funds are to be used, giving the Foundation the greatest flexibility in making grants to address the emerging needs of the community. Gifts to the Unrestricted Fund enable the Foundation to address a wide range of ever-changing community issues.

The very first grant made from this fund was the 2015 commitment to the Rock Creek Trail. Since that time significant gifts from the Unrestricted Fund include horse-drawn carriage rides at Christmas, lighting and sound equipment for the East Green summer concerts, and food for the Children's weekend food programs in Seneca County.

*If you would like to make an "unrestricted" gift to TCF, use the provided donation envelope and mark "Unrestricted Fund".*

## Board of Trustees

Nine people from our community are nominated and elected Trustees to three-year terms. They are unpaid volunteers. Four of them are nominated and elected Officers annually. The Board is responsible for the financial and administrative functions of The Tiffin Community Foundation. The Board reviews and must approve the addition of new component funds of the Foundation, every grant awarded, every distribution, policies and financial documents. They are responsible for carrying out the mission of the foundation and its management. Their decisions help sustain the good works done in our community and provide for programs and opportunities that make our community a great place to live, learn and work.

In 2020, Jane Dell completed her final term on our Board. We are very grateful to Jane and her entire family: husband Paul Burtis, children Jack, Ceci and Sophie who have all served on TCF committees.

Filling Jane's chair on the Board in 2020 is Neil Jordan.

Appointments are made for fund advisors and grant application evaluators. We are especially grateful for everyone who volunteers their time to discern our many scholarship and grant applications. Having completing terms in the past few years as grant evaluators, we are forever grateful to Merre Phillips, Natalie Eberly, Kent Zellner, Dr. David Drake, Ann Newhard and Mark Somodi!
