

# THE DANIEL WOOD “WOODY” MEMORIAL SCHOLARSHIP

## Application Guidelines

The Daniel Wood “Woody” Memorial Scholarship Fund has been established at The Tiffin Community Foundation, dedicated to the memory of the late Daniel Wood. This scholarship will be awarded annually to a Tiffin Columbian High School senior participating in Columbian Athletics.

Daniel graduated from Tiffin Columbian High School in 2012 where he enjoyed playing football and baseball. He was an extremely hard worker, the ultimate jokester (especially with his mom), a true entrepreneur and always set the highest expectations for himself and those around him. Not only did he put his heart and soul into everything he put his mind to, but he also put that same energy into his family and friends. He was, by far, the best father, son, brother, uncle, family member and friend that anyone could have ever asked for.

Scholarships in the amount of \$1000 will be awarded annually to a Columbian athlete who exudes the same passion, talent and desire that Daniel demonstrated in his own life. Any Tiffin Columbian High School senior participating in at least one sport and meeting the following criteria may apply:

1. 2.5 or higher GPA accumulated through seven semesters.
2. Acceptance to a Trade School, 2-year or 4-year college or university.

A typed essay shall be submitted with the attached application form. Essays will describe how sports have made a positive impact on the student’s life and how it will continue to impact the student’s future.

No information except that contained on or relating to the application is used in the selection process. The scholarship trustees may verify information presented in the applications.
