

CAUSE TO CELEBRATE!

2023 marks the 40th anniversary of The Tiffin Community Foundation. Founded in 1983 by a group of civic minded citizens, this non-profit organization is designed to assist individuals, families, and organizations in pursuing their charitable interests conveniently, effectively, and with a maximum tax benefit. The Tiffin Community Foundation manages assets over \$30 million. Thanks to our many generous donors, since 1983 the foundation has made nearly \$16 million in grants and scholarships to impact education, the arts, health and human services, and other valuable activities in Tiffin and Seneca County, Ohio over the past 40 years.

What does the next forty years look like? Post- pandemic, our community today looks somewhat different than it did even a few years ago. Our local organizations are facing many changes caused by the pandemic as well as cultural and civic strife. As we search for our new normal, be assured that The Tiffin Community Foundation will continue to be there supporting our local government and community members as we find ways to adjust to this new reality together. When our founding members met in 1983, I'm sure they had no idea of the impact they would be making over the next 40 years. It is your support that has enabled TCF to touch so many lives and form so many partnerships existing for the betterment of our community. We look forward to our next 40 years together!

NEW FUNDS OPENED IN 2022

THE TIFFIN WOMEN IN ACTION FUND (TWIA)

This fund, formerly Tiffin Y-Wives, was established to better serve the Tiffin community by expanding their focus to the women and children of the entire community. TWIA recently awarded their first grant to Giving Birthdays. Board member from Giving Birthdays, Jenni Zaika accepted the \$1000 donation at the April 26th meeting. Zaika explained the money will be used for gifts for Seneca County children in foster or kinship care.

THE SUTTON BANK CHARITABLE FOUNDATION FUND will provide grants and/or scholarships for qualified charitable and educational requests primarily in Seneca County. A progressive, privately held independent, community bank, Sutton Bank was founded in 1878, and still today, remains committed to meeting the financial needs of the community.

THE WSJ REINEKE FAMILY FUND is a donor-advised fund established to support the charitable giving of Bill Reineke and his family in Tiffin and Seneca County. State Senator Reineke and his daughter Suzie are business partners in Reineke Family Dealerships, a three-generation family business, that has grown to include 10 dealerships and over 400 full and part time employees. Bill is a 38-year resident of Tiffin. He and daughters Suzie and Jacquelin have been very committed to supporting the growth and development of the local community.

THE HERB THIBODEAU SCHOLARSHIP FUND

has been established to honor the memory of the man who dedicated 50 years of his life to bowling. Herb Thibodeau worked tirelessly to advance the sport of bowling, not only in Fostoria, but in the State of Ohio and the entire United States. He was a husband, father, coach, mentor, employer, team member, friend, host and leader in his community. It was Coach Thibodeau who worked to get bowling recognized as a letter sport. He was also responsible for the creation of the greater-Fostoria area High School bowling program and the creation of the Fostoria, Lakota, New Riegel and Hopewell-Loudon High School Bowling teams. This fund will provide annual scholarships to area high school bowling team members.

THE SCHWOCHOW-GALLAGHER CHARITABLE FUND

has been established to be funded at a later date. This fund will provide ongoing funding for the support of agriculture and environmental charitable, educational, and scientific purposes in Northwest Ohio.

How a Fund is Created

A permanent charitable or educational fund may be created by entering into a fund agreement with The Tiffin Community Foundation, or by naming The Tiffin Community Foundation as beneficiary in your Will or Trust, and describing your fund and it's purpose in that document. To date, we have over 100 component funds that have been created by individuals, families, businesses, nonprofit, and other organizations. A minimum \$15,000 contribution can begin now to grow into a source of funding for the future. The investment of endowment funds is managed to achieve maximum earnings. All funds are created and maintained as separate funds. However, because of the total of foundation assets, investment charges are greatly reduced. All correspondence, accounting, federal and state reporting that is required is done by the foundation. Investment statements are sent to fund donors quarterly.

BOARD OF TRUSTEES

Nine people from our community are nominated and elected Trustees to three-year terms. They are unpaid volunteers. Four of them are nominated and elected Officers annually. The Board is responsible for the financial and administrative functions of The Tiffin Community Foundation. The Board reviews and must approve the addition of new component funds of the Foundation, every grant awarded, every distribution, policies and financial documents. They are responsible for carrying out the mission of the foundation and its management. Their decisions help sustain the good works done in our community and provide for programs and opportunities that make our community a great place to live, learn and work.

Appointments are made for fund advisors and grant application evaluators. We are especially grateful for everyone who volunteers their time to discern our many scholarship and grant applications. Special thanks to Susan Howard who recently completed her term on the White Fund Grant Committee.
